

## PRESS RELEASE

### FOR IMMEDIATE RELEASE

#### **Dage announces Hitech as new Brazil sales representative**

*April 16, 2007, Fremont, California* – Dage Precision Industries the global leader in digital x-ray inspection technology, announces the appointment of Hitech Eletronica Industrial e Comercial Ltda. to represent its complete line of award winning digital x-ray inspection systems and bond test equipment throughout Brazil.

With major offices in Manaus, Porto Alegre and San Paulo, Hitech serves the Brazilian electronics industry by focusing on application engineering, continuous training and technical support. It is this capability that allows Hitech to create and maintain long-term relationships with its large and diverse customer base.

“Hitech’s commitment to quality and customer satisfaction are consistent with Dage’s philosophy of providing the utmost in quality products and customer service,” according to Hal Hendrickson, General Manager of Dage Precision Industries. “Dage has chosen Hitech for its expertise in these areas as well as its process knowledge, attention to detail and follow-up that Dage customers have come to expect.”

Hitech remains highly visible within the Brazilian market and will feature its products at the Electronic Americas trade fair, scheduled to take place April 23-27, 2007 in San Paulo, Brazil. Dage will be exhibiting at this show as well and will showcase its digital x-ray inspection systems equipped with Dage’s award winning and easy to use ImageWizard software providing world class inspection quality.

With Americas headquarters located in Fremont, California, Dage Precision Industries, Inc. manufactures and supports a complete range of award winning digital x-ray inspection systems and bond test equipment for the printed circuit board assembly and semiconductor industries.
