Dage honors Ascentek with President's Award

May 15, 2007, Aylesbury, UK – Dage Precision Industries the global leader in digital x-ray inspection technology, announces that it has presented its President's Award to Ascentek International Company Ltd. for their outstanding contribution during 2001-2006 for the sales of Dage x-ray systems.

The President's Award was presented to Jeff Chang, President of Ascentek by Geraint Rees, President and Chief Executive Officer of Dage Holdings Ltd. at a special ceremony at Ascentek's Shanghai offices. The distinguished President's Award was presented on behalf of the Dage employees for outstanding contribution in advancing sales of Dage x-ray systems.

"Ascentek's commitment to quality and customer satisfaction are consistent with Dage's philosophy of providing the utmost in quality products and service to our customers the world over," said Geraint Rees. "We are delighted to honor Ascentek for their expertise in process knowledge, attention to detail and follow-up that Dage customers have come to expect."

Founded in 2000, Ascentek serves the Chinese electronics industry with major offices in Dongguan, Hangzhou, Kunshan, Shanghai and Suzhou. From its showroom, training center and bonded parts warehouse in Shanghai, Ascentek provides application engineering, training and technical support. It is this capability that allows Ascentek to create and maintain trust and long-term relationships with its large and diverse customer base throughout China.

Headquartered in Aylesbury, UK, Dage Precision Industries Ltd. manufactures and supports a complete range of award winning digital x-ray inspection systems and bond test equipment for the printed circuit board assembly and semiconductor industries. For more information, visit www.dage-group.com.
