### **Kyzen Corp. to Premier AQUANOX A4625B — A New Aqueous Blend Cleaner at APEX 2007**

**NASHVILLE — February 5, 2007** — Kyzen Corporation, a world leading provider of environmentally responsible precision cleaning products for the electronics and high-technology manufacturing operations, announces that it will introduce AQUANOX A4625B in booth 1401 at the upcoming APEX 2007 exhibition and conference, scheduled to take place February 20 to 22, 2006, in Los Angeles.

AQUANOX A4625B is a MEA-free aqueous blend specifically designed for optimum effectiveness in batch washers. This easy-to-use cleaning material will remove flux residues and contaminants associated with most electronics assembly processes while being environmentally friendly.

A4625B is used at low concentrations for optimum cleaning efficiency without damaging delicate substrates.
