### **Kyzen Holds Successful Cleaning Seminar at NEPCON West China 2010**

**NASHVILLE, June 2010** — Kyzen, a world leading provider of environmentally responsible precision cleaning products for electronics and high-technology manufacturing operations, announces that it held a successful cleaning seminar to discuss electronics cleaning. The seminar was held on Wednesday, June 23, 2010 at ShuShan Hall on 3<sup>rd</sup> Floor at the Holiday Inn Chengdu West Century City in Chengdu, PR China.

The half-day seminar was focused on the challenges of electronics cleaning and provided participants with a better understanding of how to clean white residues and flux residue and its impact on reliability. Mr. Chris Harvey, Asia Pacific Technical Manager, and Phil Zhang, Sales Manager of China, presented these agendas and answered cleaning questions.

END

*Kyzen is a leading supplier of precision cleaning chemistries to the worldwide electronics, metal finishing, medical, semiconductor, and optical industries. Founded in 1990, Kyzen offers superior cleaning chemistries, technical support, application and analytical services throughout the world.
