**New Release – For Immediate Publication**

**Christopher Associates Expands Sales Capabilities**

Christopher Associates Inc. (Santa Ana, CA) has announced the addition of **Dan Amador** to their technical sales staff. Mr. Amador, a graduate of Loyola Marymount University in international business, has over 15 years sales and marketing experience in the electronics manufacturing industry specializing in printed circuit fabrication technology. His responsibilities will include applications, engineering, sales, and support of the Christopher Groups' printed circuit fabrication product lines.

Christopher Associates Inc. provides sales, service, and support of the **Dainippon Screen** automatic optical inspection systems; **C Sun** cut sheet laminators, imaging systems, and curing systems; **Mason** electrical test systems; **MachVision** hole inspection systems, and **Shoda Techtron** fabrication systems. The company is also one of the leading suppliers to the electronics assembly industry. For further information, please contact:
