Meet KYZEN in Mexico at the SMTA Queretaro Expo

NASHVILLE — July 2019 — KYZEN, the global leader in innovative environmentally friendly cleaning chemistries, will exhibit at the SMTA Queretaro Expo & Tech Forum, scheduled to take place Thursday, August 15, 2019 at the Misión Grand Juriquilla in Queretaro, Mexico. KYZEN cleaning experts will offer one-on-one cleaning assessments and discuss the new AQUANOX® A4727 Next Generation Aqueous Assembly Cleaner.

A4727 offers extended BATH LIFE and consistently reliable, long-term PERFORMANCE advantages. This stable chemistry is proven to be compatible on a wide variety of components, coating, labels and equipment.

AQUANOX A4727 is engineered to be effective, stable and predictable. It is designed for reliable production and assembly operations. The chemistry provides a stable pH and predictable compatibility throughout its long bath life.

Environmentally responsible, AQUANOX A4727 is non-hazardous and biodegradable. It contains no CFCs or HAPs and can be used at low concentrations to effectively remove even the toughest soils, and rinse easily and completely. This easy to control and cost-effective solution is a good choice for both in-line and batch cleaning systems.
