**FOR IMMEDIATE RELEASE**

## **Count On Tools Inc. Receives 2017 Industry of the Year Award**

**GAINESVILLE, GA — November 2017 —** Count On Tools, Inc. (COT), a leading provider of precision components and SMT spare parts, is pleased to announce that it has been awarded the 2017 Industry of the Year Award from the Greater Hall Chamber of Commerce for the Small Employer Category. Greater Hall Chamber Vice Presidents Tim Evans and Shelley Davis presented the award to Curt Couch, COT's President, during the 9th Annual Industry Appreciation Luncheon on Tuesday, November 14, 2017 at the Chattahoochee Country Club in Gainesville, GA.

Mr. Couch commented about the award, "I am always humbled by recognition of this caliber based solely on our workforce development and economic impact for this community. It is not by chance that we received this honor – our dedicated team always exceeds my expectations when making a positive contribution to our community while maximizing our success as a business."

Sponsored by Lanier Technical College, the Greater Hall Chamber's 2017 Industry of the Year Awards honor area existing industry leaders

based on economic impact, workforce excellence and corporate responsibility. The Greater Hall Chamber continues to focus on the importance of existing industries in Gainesville-Hall County Georgia, and business remains strong.

Count On Tools is a leading provider of precision machined components, SMT spare parts and Swiss-made hand tools, locally and globally. The company has won numerous awards for its quality products and service.

###

**About Count On Tools Inc.**

Count On Tools Inc., a precision component manufacturer specializing in all aspects of the machining industry, has been setting new performance standards in the SMT pick-and-place nozzle market since 1991. As the ORIGINAL source for high-quality, low-cost vacuum placement nozzles and associated consumables, they have pioneered with world-class development and process engineers that combine to ensure that innovation and competitiveness is applied to all of its extensive product range. The company also stands behind its products 100% with a full warranty. Count On Tools' products are in use at many of the world's leading electronics manufacturing companies. Proven engineering expertise, coupled with the latest in design and manufacturing technology, has allowed the company to simplify the complexities of the industry and deliver a solution to its customers.

The company also maintains and supports a strong position in the hand tool industry, offering the highest quality hand tools in the world with PB Swiss Tools. These tools compliment any and all high-tech environments requiring optimum performance from both their equipment and technicians.
