Cogiscan Is Growing: New Regional Sales Manager for the Americas

BROMONT, CANADA, February 2018 — Cogiscan Inc., the leading Track, Trace and Control (TTC) solutions provider for the electronics manufacturing industry, is pleased to announce the hiring of Greg Benoit as Regional Sales Manager – Americas.

Benoit will be responsible for growing Cogiscan's sales in the Americas and will oversee the company's growing customer base and sales channel partners in his territory.

François Monette, Chief Sales and Marketing Officer at Cogiscan commented: "I am very pleased with this latest addition to our team. Greg has a very strong industry background and deep expertise in advanced manufacturing technology. He is hard-working and a real pleasure to work with. I know that our partners and customers will greatly appreciate his support on their future projects."

Benoit has more than 16 years of experience in the electronics manufacturing industry, having worked for leading machine and software vendors such as Universal Instruments, iTAC and Panasonic.
