Conecsus to Exhibit Waste Recycling Solutions at SMTA Queretaro Expo & Tech Forum Aug. 15

Terrell, Texas, USA -- Conecsus, LLC, an innovative environmental technology and recycling company, will exhibit at the SMTA Queretaro Expo & Tech Forum on Thursday, August 15, 2019. The show and conference will be held at the Misión Grand Juriquilla, Queretaro, Blvd Villas Del Meson 56 Juriquilla, QR 76230 Mexico. Registration for the show, plus the technical sessions and lunch, are all free to attendees. Exhibit Hours are 11:00AM–6:00PM.

Conecsus representative Roberto G. Valenzuela Camargo will illustrate how the company processes wastes containing primarily Tin, Tin-Zinc, Lead, Silver, Gold, and Copper, and converts them into usable metal products, paying its customers back for their metals waste. Conecsus is an ISO 14001 EMS certified recycling company and a refiner of SMT solder/solder paste wastes and residues.

About Conecsus

Founded in 1980, Conecsus, LLC is a sophisticated 'green' recycler and refiner of SMT solder/solder paste wastes and residues, as well as Tin, Tin-Zinc, Lead, Silver, Gold, and Copper from a variety of manufacturing industries. Located in Terrell, Texas, USA, Conecsus converts these wastes into usable metal products. Conecsus' mission is to provide innovative and high-quality industrial byproducts management, metal recovery, and recycling options that provide world-class value and service to our customers, and display respect and stewardship toward the environment.
