Ersa to Exhibit in Booth #424 at SMTAI

Plymouth, WI — August 2019 — Kurtz Ersa Inc., a leading supplier of electronics production equipment, today announced plans to exhibit at SMTA International, scheduled to take place Sept. 24-25, 2019 at the Stephens Convention Center in Rosemont, IL. Company representatives will discuss Ersa's wave solder and selective solder equipment in Booth #424.

With the POWERFLOW system, Ersa presents a high-performance wave soldering system with flexible soldering bath technology at an attractive value. Technologically, the system is state-of-the-art and includes process-relevant components.

Ersa's Smartflow 2020 requires less than 3 m² of space. Due to its universal pallet fastening, the Smartflow can handle PCB sizes of up to 508 x 508 mm [20" x 20"]. The Smartflow 2020 is smart and compact without compromising quality.
