FOR IMMEDIATE RELEASE

Horizon Sales named ‘Best Rep – Americas’ for the seventh time

HOWELL, MI — November 2019 — Horizon Sales announces that it was awarded a 2019 Global Technology Award in the category of Best Manufacturers’ Representative for the Americas. The award was presented to the company during a Tuesday, Nov. 12, 2019 ceremony that took place during productronica in Munich, Germany. Horizon Sales is a leading manufacturers’ representative corporation, specializing in the sales and marketing of premier electronics assembly equipment. This year marks the company’s seventh consecutive year earning the award in its category.

“The entire Horizon team is extremely grateful and honored to have once again been recognized by the Global Technology Award judges,” commented Dave Trail, President of Horizon Sales. “As sales and distribution specialists in the electronics manufacturing industry we are charged with the responsibility of keeping our customers and users of equipment and materials up-to-date with the latest techniques and equipment to help them remain competitive and quality driven in their respective industries and markets. We do this with energy and enthusiasm, and to be awarded by your peers for doing what we love only makes this award all that more special.”

The years have allowed Horizon Sales to grow and mature as a company, much as the SMT and electronic assembly industry has matured and diversified. The company continues to stay a step ahead of the technology curve so that when the time is appropriate for its customers to rise to the next level in their technology and manufacturing skill set, Horizon Sales is there and fully prepared to offer the solutions that they will need.

The company takes great pride in its ability to maintain a strong customer base as well as the stability and longevity of its core product lines.

In business for more than 25 years, Horizon supplies state-of-the-art equipment and supplies to its customers, helping them to achieve best-in-class status in their respective markets. Horizon Sales represents the mid-western states of Michigan, Ohio, Indiana, Kentucky, Western Pennsylvania, Illinois, Eastern Iowa, Wisconsin and Florida. For more information, visit www.horizonsales.com.

Premiering in 2005, the Global Technology Awards program is an annual celebration of product excellence in electronics surface mount assembly. Premier products based on the finest examples of creative advancement in technology are chosen by a distinguished panel of industry experts.
