FOR IMMEDIATE RELEASE

MarTec Receives Outstanding Achievement Award from Juki Automation Systems

MORRISVILLE, NC — October 2017 — Juki Automation Systems (JAS), Inc., a world-leading provider of automated assembly products and systems and part of Juki Automation Systems Corporation, presented MarTec, Inc. with a ‘Representative of the Year – Outstanding Achievement Award’ for 2017. Bill Astle, President of JAS, Inc., presented the award to Scott Gammer, Bill Harp and Steve Henegar of MarTec Systems at the recent awards banquet held during the Juki Americas National Sales meeting that took place at Juki’s facility in Fremont, CA.

“The guys at MarTec did a great job promoting Juki throughout the year and were leaders in selling our new RS-1 placement machine and Intelligent Storage Systems,” said Geron Ryden, Juki Regional Sales Manager. “They are a pleasure to work with and very deserving of this award.”

This is the fifth time that MarTec has been recognized by Juki for its outstanding achievement. Since 1978, MarTec has been providing quality sales and service to the printed circuit board (PCB) manufacturing industry that is second to none. The company represents some of the best known brands in the industry.

MarTec Incorporated represents Juki’s full line of automated assembly products and systems throughout Alabama, Georgia, Mississippi, and Tennessee. For more information about MarTec’s products and services, call (256) 536-1571 or visit www.martecincorporated.com.
