FOR IMMEDIATE RELEASE

Libra Industries Shows Its Support of SMTA International with Sponsorship

MENTOR, OH — August 2019 — Libra Industries, a privately held electronics manufacturing services (EMS) provider, today announced that it will be the Conference Bag Sponsor for the upcoming SMTA International Exhibition, scheduled to take place September 24-25, 2019 at the Stephens Convention Center in Rosemont, IL.

Libra Industries proudly supports the SMTA. The company has been a corporate member of the SMTA since 1985.

The SMTA membership is an international network of professionals who build skills, share practical experience and develop solutions in electronic assembly technologies, including microsystems, emerging technologies and related business operations. For more information about the SMTA International, visit www.smta.org/smtai/.

Libra Industries continues to invest to provide customized manufacturing solutions to help make its customers more competitive and improve their profitability. For more information, visit www.libraind.com.

###

About Libra Industries

Libra Industries is a leading provider of integrated Electronic Manufacturing Services (EMS), serving OEMs with complex or technologically sophisticated manufacturing requirements in a broad range of industries including industrial automation, medical, military and aerospace, instrumentation and LED lighting. Four world-class manufacturing facilities allow Libra Industries to provide customers with manufacturing flexibility including complete system build, module and subassembly production, as well as simple to complex PC board assembly. With an ongoing commitment to investment in people, quality systems, and the latest manufacturing equipment and processes, Libra Industries is committed to managing their clients' products from initial design and prototype to full production; assisting their clients in their efforts to improve time to market, reduce total systems cost, and increase quality.
