Libra Industries Expands Its Sales Team in Texas

MENTOR, OH — April 2017— Libra Industries, a privately held electronics manufacturing services (EMS) provider, today announced that it has added two new representatives. Gary Tanel from TechBiz Consulting, LLC and David Smith will represent Libra Industries in Texas.

Both Tanel and Smith bring more than 30 years of experience in electronics design and manufacturing. Experienced manufacturers' representatives with strong backgrounds in customer service, Tanel and Smith are well connected throughout Texas.

Libra Industries' V.P. of Sales & Business Development Tom Dykeman commented, "We are excited to announce that Gary Tanel and Dave Smith have joined the Libra Industries sales team. Both Gary and Dave bring many years of experience and professionalism to our organization, and we are extremely fortunate to have them represent us."

Libra Industries understands that selecting the right electronics manufacturing partner is essential to the success of your business. That's why the company offers a total solutions approach to managing

every aspect of your product from concept to production helps to make you more competitive and profitable.

The partnerships with Tanel and Smith will help Libra Industries with its ongoing efforts to provide customized manufacturing solutions to help make its customers more competitive and improve their profitability. For more information, visit www.libraind.com.

###

About Libra Industries

Libra Industries is a leading provider of integrated Electronic Manufacturing Services (EMS), serving OEMs with complex or technologically sophisticated manufacturing requirements in a broad range of industries including industrial automation, medical, military and aerospace, instrumentation and LED lighting. Five world-class manufacturing facilities allow Libra Industries to provide customers with manufacturing flexibility including complete system build, module and subassembly production, as well as simple to complex PC board assembly. With an ongoing commitment to investment in people, quality systems, and the latest manufacturing equipment and processes, Libra Industries is committed to managing their clients' products from initial design and prototype to full production; assisting their clients in their efforts to improve time to market, reduce total systems cost, and increase quality.
