LiloTree wins Best Paper at IPC APEX 2020

Redmond, WA. Jan 24, 2020

LiloTree receives the Best Paper Award at the IPC APEX 2020 to be held at San Diego, California. Our paper, titled, "Reliable Nickel-Free Surface Finish Solution for High-Frequency-HDI PCB Applications," discusses our product offering [Ni-Less ENIG Premium](#) and its many benefits.

The papers were evaluated by the IPC APEX EXPO Technical Program Committee and judged on their technical content, originality, test procedures and data used to deduce conclusions, quality of illustrations and the clarity and professionalism of writing **as well as value to the industry**.
