**Murray Percival Company Proudly Represents Ersa for Rework**

**AUBURN HILLS, MI – June 2019** – Murray Percival Company, the leading supplier to the Midwest's electronics industry, is proud to represent Kurtz Ersa\* for all your rework needs.

From table top to inline, IR to HR technology, Ersa offers a wide range of rework applications. Ersa systems have established their position in the market because they continue to deliver the best results, even for the most challenging rework applications.

You can now send in your rework application to Ersa and have a live online demo on how to solve your rework tasks. Simply send in your boards and components and schedule a live, online demo with an experienced technician. Experts will walk you through step-by-step operation of the rework process to help you solve your individual rework needs.

To schedule a live, personalized online demo, and improve your process, please contact Murray Percival today by calling (800) 405-1730 or e-mailing [info@murraypercival.com](mailto:info@murraypercival.com).

\*Murray Percival represents Ersa in the territories of Michigan, Ohio, Kentucky, and Indiana.

**About Murray Percival**

Murray Percival Company is a third-generation family owned business that was founded in January of 1960, and subsequently incorporated in the state of Michigan as the Murray A. Percival Company. They are currently the leading supplier to the Midwest's electronics industry, offering thousands of capital and distribution products as well as the industry's leading process enabler.
