NEO Tech Earns Prestigious Raytheon Supplier Award for Third Time

CHATSWORTH, CA – October 4, 2016 – NEO Tech, a leading provider of manufacturing technology and supply chain solutions for brand name OEMs in the industrial, medical and mil/aero markets, announces that it has won the Raytheon IDS Supplier 4 Star Award for performance throughout 2015. The award was presented to the company during the IDS Supplier Conference that took place in Danvers, MA. This award marks the third consecutive year that NEO Tech has won the award.

Raytheon's Integrated Defense Systems business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding customer requirements. Award candidates are judged on certain criteria, including overall quality, on-time delivery and demonstrated commitment to continuous improvement. NEO Tech was one of 82 companies recognized by Raytheon's Integrated Defense Systems business for 4-Star honors.

NEO Tech earned the award for its consistent excellence and performance as a key Raytheon supplier, achieving high marks on quality, cost and delivery performance. NEO Tech is a supplier of high-reliability substrates and precision microelectronic assemblies for many of Raytheon's advanced defense programs.

The supplier award was presented to NEO Tech by Raytheon's Integrated Defense Systems (IDS) division, which specializes in air and missile defense, large land- and sea-based radars, and systems for managing command, control, communications, computers, cyber, intelligence, surveillance and reconnaissance (C5ISR). It also produces air traffic management systems, sonars, torpedoes and electronic systems for ships.

"I am proud of our team members in Carlsbad and Chatsworth, CA locations and recognize that their daily efforts are a key element to winning this prestigious award for the last three years straight," stated Sudesh Arora, NEO Tech President and Chief Executive Officer. "All of us at NEO Tech thank Raytheon for honoring us with the award and for the lasting business partnership that extends back over 25 years."

For more information about NEO Tech and why it has won Raytheon's prestigious award for three consecutive years, visit www.NEOTech.com.

About NEO Tech

NEO Tech combines the strengths of three leading contract manufacturers: NATEL, EPIC, and OnCore. With over 40 years of heritage in electronics manufacturing, NEO Tech focuses on low-medium-volume/high-mix, high-complexity products primarily in the medical, defense/aerospace and industrial markets.

NEO Tech is favorably positioned among mid-tier EMS manufacturers to “make amazing things happen.” NEO Tech offers full product lifecycle engineering services, manufacturing and testing of microelectronics, cable & harness interconnect products, PCBA, full box build services and aftermarket repair and fulfillment services. The companies that form NEO Tech have been known for solving tough engineering problems that result in high-reliability, high-quality electronic solutions for customers.

Headquartered in Chatsworth, CA, NEO Tech has manufacturing and engineering locations in California, Colorado, Illinois, Massachusetts, Nevada, Ohio, Tennessee, Mexico, and China. NEO Tech holds and maintains industry specific certifications that include ISO9001, AS9100, ISO13485, ISO/TS16949, ISO14001 and MIL-PRF-38534. To learn more, visit www.NEOTech.com.
