## FOR IMMEDIATE RELEASE

### Naprotek, Inc. Installs Flexible New MXI System

**SAN JOSE, CA — May 2018 —** [Naprotek, Inc.](http://www.naprotek.com), a provider of electronic manufacturing services, today announced that it has purchased and successfully installed the [Quadra™ 5](#) flexible X-ray inspection solution from [Nordson DAGE](#), a division of Nordson Corporation (NASDAQ: NDSN). With the new Nordson DAGE Quadra™ 5, Naprotek will benefit from industry-leading core technology, high performance, and ease of use for 2D and 3D X-ray applications.

“Naprotek is constantly investing in the latest technology to enhance our capabilities while providing the highest level of service to our customers,” said Larry Morrissey, Vice President Operations at Naprotek. “Our investment in the Nordson DAGE Quadra 5 2.5D X-ray system gives us state-of-the-art technology and significantly better diagnostic tools resulting in higher overall quality.”

The Quadra™ 5 is the leading choice for PCB and semiconductor package inspection numerous many reasons:

- < 0.35µm (350nm) Feature Recognition up to 20 W Tube power
- Aspire FP™ 3 MP @ 25fps with 50µm pixel pitch
- Total Magnification 45,000 X
- 24" Full HD WUXGA 1920 x 1200 Primary LED monitor
- 70° Oblique Views Without Loss of Magnification

Naprotek sets the standard for high-quality prototypes and Made-in-America production. The company specializes in mission critical products, and its processes and systems are focused on delivering award-winning quality. For more information, visit [www.naprotek.com](http://www.naprotek.com).

###

#### About Naprotek Inc.

Founded in 1995 by entrepreneur Najat Badriyeh, Naprotek has provided electronic manufacturing services to startups and OEMs in Silicon Valley and throughout the US. Naprotek evolved from a consigned-assembly business to a full-suite service provider for printed circuit assemblies and box-build. Naprotek's track record continues to benchmark quality, service and cost-effective solutions for its customers. The company has a strong footprint in the military and aerospace markets with its AS 9100 Certification, as well as the medical market with its ISO 13485 Certification. For more information about Naprotek, visit [www.naprotek.com](http://www.naprotek.com).

#### About Nordson DAGE

Headquartered in Aylesbury, UK, Nordson DAGE is a unit of the [Nordson Corporation](http://www.nordson.com) and manufactures and supports a complete range of award-winning [digital X-ray inspection systems](#) and [bond test equipment](#) for the printed circuit board assembly and semiconductor industries. Visit [www.nordsondage.com](http://www.nordsondage.com) for more information.
