Nordson SELECT Appoints SMarTsol as Mexico Distributor for Entire Selective Soldering Product Line

SMarTsol provides customers throughout Mexico with equipment and materials selection services, process expertise and technical support

Liberty Lake, WA, USA – 9 April 2019 – Nordson SELECT, a Nordson company (NASDAQ: [NDSN](#)), is pleased to announce the appointment of SMarTsol Technologies as the exclusive distributor for the entire Nordson SELECT product portfolio throughout Mexico. With sales offices and demonstration facilities in Guadalajara and Juarez, SMarTsol serves the strategic areas for printed circuit board assembly and is a top tier supplier to the Mexico market.

Adam Streeter, Mexico, Central America and South America Sales/Service Manager for Nordson SELECT stated, “We are delighted to have SMarTsol as members of our sales organization with their vast sales and technical support team.” Streeter added, “In addition, Ivan Romo and the entire SMarTsol team brings to the table their extensive in-depth background in electronics materials and assembly chemicals, technical process knowledge and electronic assembly solutions.”

Lead by General Manager Ivan Romo, SMarTsol was established in 2012 to provide the best services and products to the high technology industries including electronics assembly, automotive and the green technologies market. SMarTsol services include equipment sales, distribution, training, technical support as well process consultancy and analysis. With more than 20 years of sales experience, the SMarTsol sales team is directed by Regional Sales Managers Juan Luis Tarin and Jaime Perez and are the exclusive representatives of companies such as Nordson SELECT, Speedprint, AIM, Technical Devices, IL JIN and Nordson YESTECH throughout Mexico.
