PACE Worldwide Appoints Neil Manson as European Regional Sales Manager

Vass, NC – 25 April 2018 – PACE Worldwide is pleased to announce it has hired Neil Manson to the position of European Regional Sales Manager. Mr. Manson brings more

than 16 years of experience in the electronics manufacturing industry and is a seasoned professional with a proven track record in growing sales in the European market. Based in the UK, Mr. Manson will be responsible for the development, maintenance, and expansion of PACE soldering, rework and fume extraction products throughout Europe. He will work closely with customers as well as distribution channels.

“This is a great time for Neil to join PACE, with the introduction of new products, such as the ADS200 production soldering station and the soon to be released TF 2800 BGA Rework System,” said John Romanowicz, PACE Corporate Director of Sales. “Neil’s background and industry expertise will be very beneficial to both our customers and distribution network, so we’re delighted to have him onboard as a key team member.”

Mr. Manson can be reached at nmanson@paceworldwide.com or 44 (0) 7702 211602.
