PDR Enters Reps Agreement with Restronics

Shingle Springs, CA — April 2018 — PDR, an industry recognized leader in IR rework since 1986, is pleased to announce that it has partnered with Restronics as its manufacturers' representative in the Northwest US. David Leventhal will represent the company in NY (Upstate NY, NYC and LI) and NJ, Hunter Adams will serve the ME, VT, NH, RI and CT territory, and Tom Glasgow will support PDR's customers in TN, MS, AL and GA.

Serving the electronics manufacturing industry for more than 35 years, the Restronics group has locations all over the country. Restronics is a consultative OEM sales rep organization that helps educate its customers to improve their processes and productivity.

"PDR is very pleased to have the opportunity to work with the Restronics team," said Dave White, CEO of White Industrial Corporation, parent company of PDR Americas. Restronics is the benchmark for other rep firms to emulate and has been so for a good many years. Restronics' experience, professionalism and reputation for putting the interest of its customers first is the driving force behind their success. We are very pleased to have Restronics as a partner to promote the PDR brand and provide outstanding value to our customers."

For more information about Restronics, contact David Leventhal at (914) 329-9300 or email dleventhal@restronics.com; Hunter Adams at (508) 877-3016 or email hadams@restronics.com or; Tom Glasgow at (770) 634-4131 or email tglasgow@restronics.com, or visit www.restronics.com.

PDR Rework Systems remains at the forefront of rework technology by providing air nozzle free systems with advanced in-process control features and visible light that takes the guesswork out of rework.
