Mequon, WI, 20 June 2018

## ULT LLC extends Rep Network collaborating with George KELSO Company

Fume extraction vendor ULT LLC and Pennsylvania headquartered George KELSO Co. entered into a cooperation. From now on, KELSO will provide ULT's fume extraction technology to customers in the US States of Delaware, Maryland, New Jersey, Pennsylvania and Washington D.C.

The representative mainly addresses industries such as metalworking, food/beverage, pharmaceutical and general industry. KELSO will take care of sales and service for all industrial air cleaning requirements.

Joe Voss, Sales Representative with KELSO says: "KELSO is excited to join the ULT team members. As we design, supply and install industrial ventilation capture, convey and collect varies dusts, fumes and vapors is essential to have state of the art equipment to collect and separate the dirt in the most efficient ways possible. ULT offers some of the most advanced packages in the marketplace."

### About ULT:

ULT LLC  
6000 W Execution Drive, Suite K  
Mequon, WI 53092

Tel.: +1 414 377 1376  
URL: [www.ult-usa.com](http://www.ult-usa.com)

eMail: [office@ult-usa.com](mailto:office@ult-usa.com)

Founded in 1994, ULT is a global vendor of high efficiency industrial air filtration, fume extraction systems, and dust collectors. The wide range of equipment has been designed for use in many industries, such as machine construction, electronics production, and general manufacturing as well as medical and pharmacy. The product range offers turnkey products as well as custom-built units for special applications, e.g. for material processing by means of laser, soldering, welding etc. as well as onsite services. The company has been DIN EN ISO 9001 certified for nearly 20 years. Since early 2017, ULT LLC, headquartered in Mequon, WI takes care of US and North American customers, providing extraction and filtration solutions for occupational health and service.
