FOR IMMEDIATE RELEASE

Whizz Systems to Host Complimentary Tech Lunch & Learn

SANTA CLARA, CA — December 2019 — Whizz Systems, Inc. invites you to join them on Wednesday, January 15, 2020 at their facility in Santa Clara, California (USA) for a complimentary and educational Lunch & Learn. The event is in cooperation with the SMTA Silicon Valley Chapter.

Beginning at 11 a.m., the morning will begin with the following presentations:

- Mr. Brian Toleno, Microsoft: AR and the Factory of the Future
- Dr. Denis Barbini, Laserssel: Laser Reflow Soldering (LSR)
- Dr. Mike Bixenman, KYZEN & Magnalytix, LLC: Electronic Device Reliability as a Function of Cleanliness

Lunch will be provided, followed by a tour of the Whizz Systems facility, which will showcase their technology as a leading electronics product development and manufacturing company.

Please RSVP to Francesca Lehtomaa, flehtomaa@meganwendling.com to reserve your space.

###

About Whizz Systems, Inc.

Whizz Systems is a premier provider of electronics product design, development and manufacturing services located in the heart of the Silicon Valley. We provide our customers a very efficient path to launching a product by taking an idea and turning that into a workable, shippable product. Our services are unique in that we manage the entire process of a product starting with development all the way to prototypes and manufacturing.
