ZESTRON will be Exhibiting at SMTA Dallas and Houston Expos

Manassas, VA – March 14, 2019 [ZESTRON](#), the global leading provider of high precision cleaning products, services, and training solutions in the electronics manufacturing and semiconductor industries, is pleased to announce that it will be featuring several cleaning solutions at SMTA Dallas and Houston, including products specifically designed to clean under low-standoff components.

ZESTRON cleaning agents are developed to work under some of the lowest clearance components and rinse easily to provide the widest possible process window. Meet with one of our cleaning experts at SMTA Dallas or SMTA Houston to find out which cleaning agent is best for you.

SMTA Dallas will be held at the Plano Event Center in Plano, TX on March 19th. SMTA Houston will be held at The Stafford Centre in Stafford, TX on March 21st. For more information or to register, please visit smta.org.

About ZESTRON:

ZESTRON is headquartered in Manassas, Virginia and operates in more than 35 countries. With eight technical centers worldwide and the industry's most knowledgeable team of engineers focused on high precision cleaning, ZESTRON's commitment to ensuring that its customers surpass even the most stringent cleaning requirements is without equal.
