FOR IMMEDIATE RELEASE

Board Shark PCB Partners with MarTec, Inc.

VANCOUVER, WA — August 2020 — Board Shark PCB, a leading PCB solution provider, is pleased to announce that it has partnered with MarTec, Inc. Under the agreement, Scott Gammer and the team at MarTec will provide sales and service for Board Shark PCB in the states of Alabama, Georgia, Mississippi, and Tennessee.

“We are excited to have MarTec as our representatives in the Southeast territory.” Comments Carl Moehring, President of Board Shark. Carl adds “With their exceptional customer service in the region and customer-first approach to sales, they will be a welcome addition to our network of representatives throughout the U.S.

Since 1978, MarTec has been providing quality sales and service to the printed circuit board manufacturing industry that is second to none. MarTec represents some of the best-known brands in the industry. For more information, visit www.martecincorporated.com.

Board Shark PCB provides quality PCBs, on-time, at the best total cost. The company’s low overhead and consolidated board spend allows the company to pass these savings onto its customers. For more information, visit www.boardsharkpcb.com or email mike@boardsharkpcb.com.
