## **Nordson SELECT Appoints EMC3 Group as Florida Sales Rep for Entire Selective Soldering Product Line**

**EMC3 Group provides customers throughout Florida with equipment and materials selection services, process expertise and technical support**

**Liberty Lake, WA, USA – 18 December 2019** – Nordson SELECT, a Nordson company (NASDAQ: [NDSN](#)), is pleased to announce the appointment of EMC3 Group as sales representative for the entire Nordson SELECT product portfolio throughout Florida.

Kevin Valentine, Americas Sales and Service Manager for Nordson SELECT stated, “We are delighted to have EMC3 Group as members of our sales team with their extensive sales and service network.” Valentine added, “In addition, EMC3 Group brings to the table their in-depth background in electronics materials, process knowledge and electronic assembly solutions.”

The EMC3 Group is one of Florida's leading surface mount technology, electronics manufacturing, electronics assembly, and semiconductor equipment sales companies. Founded in 1990 the EMC3 Group covers the entire State of Florida. They specialize in helping customers select the best electronics manufacturing assembly equipment, soldering systems, surface mount technology, rework systems, and process materials. EMC3 Group partners with the electronics industry top electronic assembly equipment, production tools, and consumable products manufacturers.

“For the past several years, we have represented other Nordson divisions including Nordson ASYMTEK, Nordson EFD, Nordson SEALANT, and now Nordson SELECT,” commented Steve Pattison, President of EMC3 Group. “Our mix of products and services have allowed our organization to adapt to the industry’s needs, while maintaining sustainability through our experienced sales and service organization.”
