## **Epic Resins Joining Industry Leaders in Novi, Michigan**

*Epic Resins is exhibiting September 14 - 16, 2021 at The Battery Show and Electric & Hybrid Vehicle Technology Expo North America 2021*

**Palmyra, WI:** Epic Resins, an epoxy and polyurethane resin manufacturing company, will be exhibiting September 14-16, 2021 at The Battery Show and Electric & Hybrid Vehicle Technology Expo North America. This event brings together two communities of professionals over 3 days at the Suburban Collection Showcase in Novi, Michigan. The expo offers solutions from more than 700 expert suppliers and takes an educational deep dive at the eight-track conference covering the latest in battery design, advanced materials, manufacturing, and stationary power.

Visit Epic Resins at booth #2104 to discuss encapsulating compounds for electric vehicles, thermal management solutions, lightweight potting compounds and more with seasoned experts. For free expo admission or 20 percent off a conference pass, [click here](#).

See you there!
