Epic Resins Joining Industry Leaders in Novi, Michigan

Epic Resins is exhibiting September 13 - 15, 2022 at The Battery Show and EV Tech Expo

Palmyra, WI: Epic Resins, an epoxy and polyurethane resin manufacturing company, is thrilled to announce that they will be exhibiting September 13 - 15, 2022 at The Battery Show and EV Tech Expo North America. This #1 event brings together two communities of professionals over 3 days at the Suburban Collection Showcase in Novi, Michigan. The expo offers solutions from more than 750+ advanced suppliers and takes an educational deep dive into a four-track conference consisting of keynotes, technical sessions and lightning talks.

Visit Epic Resins at booth #2116 to discuss encapsulating compounds for electric vehicles, thermal management solutions, lightweight potting compounds and more with technical experts. Be our guest with free expo admission or 20 percent off a conference pass, [click here](#).

[Register now](#). We look forward to seeing you.
