

**FOR IMMEDIATE RELEASE**

**Department of Defense Awards American Computer Development, Inc. (ACDi) Aircraft and Ground Subsystem Build-to-Print Cables/Harnesses Multiple Award Contract**

*ACDi who was the successful offeror for 54 of the 76 CLINS. ACDi was also awarded an additional CLIN for unknown, emergent requirements.*

(Frederick, MD, September 19, 2022) ACDi today announced it was awarded a combined \$11,000,000 firm-fixed-price, indefinite-delivery/indefinite-quantity, multiple award contract for the manufacture, test, inspection, and delivery of built-to-print cable harnesses and assemblies for Navy and other Department of Defense projects.

The contract ceiling is \$11,000,000 for each of the 6 new contracts awarded, including the award to ACDi who was the successful offeror for 54 of the 76 CLINS. ACDi was also awarded an additional CLIN for unknown, emergent requirements.

“This contract award represents ACDi’s commitment to Department of Defense programs,” said Bill Hornbaker, ACDi’s President and CEO. “It also illustrates NAVSEA’s commitment to small business initiatives which is vital to our success.”

This contract was competitively procured via the beta.sam.gov website with multiple offers received. The Naval Surface Warfare Center, Crane Division, Crane, Ind., is the contracting activity.

**About ACDi**

Based in Frederick, MD, Nashville, NC and Branford, CT, American Computer Development Inc. (ACDi) is an integral resource to companies who need a trusted partner for dynamic electronics manufacturing, engineering and design expertise to successfully bring their electronic products to market. Our product engineering support services, PCB layout, NPI, electronics manufacturing services, testing, systems integration and product lifecycle management solutions enable OEMs to focus on their business while we focus on product realization and optimization. ACDi clients gain a hands-on extension to their business as we turn their concepts into functional product. Learn more about ACDi on the website <https://www.acdi.com/>.
