FOR IMMEDIATE RELEASE

CE3S Enhances Product Offerings with Comprehensive Internal Solutions

HARRISBURG, PA — September 2024 — Cumberland Electronics Strategic Supply Solutions (CE3S), your strategic sourcing, professional solutions and distribution partner, is proud to announce the expansion of its product and solution offerings to better serve the diverse needs of professionals across multiple industries. With a focus on providing exceptional quality and a one-stop shopping experience, CE3S continues to innovate and deliver top-tier solutions that impact your bottom line.

CE3S offers a robust lineup of solutions across several key product categories. The company's **Soldering and Rework** line includes high-performance soldering stations, irons, and tips designed for precision and reliability in demanding environments. The **Solder** category features a range of soldering materials to meet various application needs.

In the **Workstation and ESD** categories, CE3S delivers state-of-the-art workbenches, ESD-safe products, and comprehensive ESD protection solutions, ensuring that your workspace meets the highest standards for safety and efficiency. CE3S' **Cleaning Supplies** feature specialty cleaners, fume extraction and tools essential for maintaining optimal operational conditions.

Inspection and Visualization offerings include advanced tools for detailed inspection, helping to ensure product quality and adherence to industry standards. The **Chemical and Tool & Production Supply** categories provide everything from flux and lubricants to cutting-edge tools that support the entire production process.

The company's **Wire, Cable & Electronic Components** categories feature a wide array of essential components, ensuring that professionals have access to the highest quality materials needed for reliable and efficient operations. Whether it's wiring, cabling, connectors, or other electronic components, CE3S has you covered.

Beyond products, CE3S also excels in delivering custom solutions. The company's value-added services include repackaging, converting services, custom labeling, packaging, cable assemblies, laser cutting, kitting and 3PL solutions. CE3S also offers Vendor Managed Inventory solutions, strategic account management, and government solutions, addressing the unique needs of various sectors including federal, state and local agencies.

For more information on how CE3S can support your operations, please visit www.ce3s.com or contact sales@ce3s.com or 1-800-955-0225.
