Count On Tools Announces Exclusive 20% Discount on Standard Nozzles for Leading SMT Brands

GAINESVILLE, GA — January 2024 — Count On Tools, Inc. (COT), a leading provider of precision components and SMT spare parts, is excited to announce a limited-time promotion offering a 20 percent discount on all standard nozzles for Panasonic, I-Pulse, Hitachi, Hanwha, Fuji, Juki, Yamaha, ASM, Mirae, and Assembleon.

Customers can take advantage of this exclusive offer by using the promotion code STANDARD20 on the Count On Tools website: Nozzles4SMT.com. The website is equipped with a user-friendly interface, making the ordering process seamless. Alternatively, orders can be placed via email, with the promo code mentioned, for added convenience. The promotion begins immediately and will run through March 2024.

"At Count On Tools, we understand the importance of precision and reliability in SMT processes," said Curt Couch, Vice President at Count On Tools. "This promotion is our way of supporting our valued customers by providing access to high-quality standard nozzles at an attractive discount."

Count On Tools is a leading provider of precision machined components, SMT spare parts and Swiss-made hand tools, locally and globally. The company has won numerous awards for its quality products and service.

Count On Tools holds and maintains current ITAR registration, 07FFL, 02SOT, and a first-class Quality Management System. For assistance with SMT needs or quotes for in stock items, contact sales@cotinc.com.

###

About Count On Tools Inc.

Count On Tools Inc., a precision component manufacturer specializing in all aspects of the machining industry, has been setting new performance standards in the SMT pick-and-place nozzle market since 1991. As the ORIGINAL source for high-quality, low-cost vacuum placement nozzles and associated consumables, they have pioneered with world-class development and process engineers that combine to ensure that innovation and competitiveness is applied to all of its extensive product range. The company also stands behind its products 100% with a full warranty. Count On Tools' products are in use at many of the world's leading electronics manufacturing companies. Proven engineering expertise, coupled with the latest in design and manufacturing technology, has allowed the company to simplify the complexities of the industry and deliver a solution to its customers.

The company also maintains and supports a strong position in the hand tool industry, offering the highest quality hand tools in the world with PB Swiss Tools. These tools compliment any and all high-tech environments requiring optimum performance from both their equipment and technicians.
