

## **Ellsworth Corporation Announces the Acquisition of TapeCase Converting Services**

*Adding converting services to the portfolio of products and services offered by Ellsworth Corporation*

**FOR IMMEDIATE RELEASE**

**GERMANTOWN, WI – June 1, 2022** - Ellsworth Corporation is pleased to announce the acquisition of TapeCase Ltd. TapeCase's converting services and tape offerings will complement the Ellsworth Corporation portfolio of products and services, which includes B2B distribution of adhesives and specialty chemicals, dispensing equipment, custom formulation, and repackaging.

Roger Lee, President, Global Ellsworth Adhesives stated, "TapeCase's culture aligns with Ellsworth Corporation, being a family-owned company. We are excited to provide this value-added service to our customers, and it is a testament to our customer-first mentality. We continue to add services which will assist our customers to work with us end-to-end, from specification to delivery."

Together, with the expertise of Ellsworth Corporation, TapeCase will offer new services to our customers, as we continue to bring the best solutions forward.

### **About Ellsworth Corporation**

Ellsworth Corporation is a leading global distributor of specialty chemicals and equipment. Ellsworth's mission is to drive global design and process performance through adhesive and other formulated resin systems, automation, and services.
