Kurtz Ersa Announces Strategic Partnership with Comtree to Enhance Spare Parts Availability in Canada

Plymouth, WI — February 2024 — Kurtz Ersa Inc., a leading supplier of electronics production equipment, is proud to announce a new partnership with Comtree, a renowned provider of capital equipment solutions in the Canadian Electronics Manufacturing Community. This collaboration aims to strengthen the availability of spare parts for Kurtz Ersa's cutting-edge equipment within Canada.

Teaming up with Kurtz Ersa, Comtree will now stock an extensive range of spare parts at its Mississauga warehouse location. The collaboration ensures that Canadian customers can access a comprehensive inventory of soldering consumables with hundreds of common products readily available in stock.

"At Kurtz Ersa, we are delighted to partner with Comtree, a company with a proven track record of excellence in providing capital equipment solutions. This collaboration reflects our commitment to ensuring that our Canadian customers have swift access to high-quality spare parts, further enhancing their experience with our advanced soldering technology," said Ernie Grice at Kurtz Ersa.

Established in 1995, Comtree has distinguished itself by offering exclusive capital equipment solutions coupled with world-class customer support and after-sales service. Over the years, the company has earned a reputation for providing top-notch capital equipment with an exceptional cost-to-performance ratio, positioning itself as the preferred supplier for such equipment in Canada.

This strategic partnership combines the technical prowess of Kurtz Ersa with Comtree's robust distribution network, offering a seamless solution for Canadian customers seeking reliable spare parts. For spare parts inquiries in Canada, email info@comtreeinc.com or visit www.Comtreeinc.com.
