FOR IMMEDIATE RELEASE

Hanwha Techwin Automation Americas Welcomes David Suh as Application Engineer

CYPRESS, CALIFORNIA – June 2024 – Hanwha Techwin Automation Americas, Hanwha Precision Machinery's North America branch office, and a leader in precision manufacturing and technology solutions, is pleased to announce the appointment of David Suh as Application Engineer. With extensive experience in the SMT manufacturing process and equipment industry, David's addition to the team underscores Hanwha's commitment to growth and customer satisfaction.

David Suh brings over 16 years of expertise as a Field Service Engineer, Applications Specialist, and Capital Sales professional for SMT parts mounting and automated optical inspections (AOI). His diverse background includes roles at Yamaha Motor Corp USA, Koh Young Americas, Inc., Competitive Edge Manufacturing Equipment, and Z Communications Inc/Trango Systems. As a veteran of the Persian Gulf War and a US Army Aviation Specialist, David also possesses bilingual proficiency in English and Korean, further enhancing his ability to serve Hanwha's diverse customer base.

"We are thrilled to welcome David Suh to the Hanwha team," said Tim Kang, CEO of Hanwha Techwin Automation Americas. "His extensive knowledge and experience in the SMT industry will be invaluable as we continue to expand our capabilities and better serve our markets and customers."

In his new role, David will focus on Hanwha's complete line solutions for performance demonstrations, trade show exhibitions, customer applications support, troubleshooting, and installation/training, ensuring that Hanwha's customers receive top-tier service and support.

Hanwha Techwin Automation Americas remains dedicated to advancing the electronic manufacturing industry and supporting manufacturers worldwide in achieving global competitiveness. The addition of David Suh is a testament to the company's ongoing commitment to innovation and excellence.
