## **Inovaxe announces expansion into new facility in Boca Raton, Florida**

**DEERFIELD BEACH, FL — January 2023** — Inovaxe, a world leader and provider of innovative material handling and inventory control systems, today announced that it is expanding with a new facility in Boca Raton, Florida with more than 5,000 ft<sup>2</sup>. The company plans to be moved in and fully operational in April 2023.

Located just down the road from its existing manufacturing headquarters, this new building will serve as Inovaxe's demonstration and training center. The new demo center will showcase Inovaxe's award-winning Smart Storage Systems and will include a fully operational SMT line. Inovaxe will be able to demonstrate its solutions in a real production environment with integrations to different SMT systems, and it will allow for hands-on training for new and existing customers as well.

Inovaxe's storage solutions streamline SMT material handling processes by decreasing handling time, cutting out errors and manual data entry, stopping line-down occurrences and eliminating the black hole of WIP.

For more information about how Inovaxe's innovative material handling systems and services can improve your inventory accuracy and reduce your labor costs, visit [www.inovaxe.com](http://www.inovaxe.com).

###

**About Inovaxe Corp.**

Inovaxe Corporation is focused on delivering innovative ultra-lean SMART production and inventory management solutions to the electronics industry. The Company's product offering includes mobile InoAuto Smart carts (IA series), Smart racks (SR series), and Smart stationary racks (SREX series) to store SMT reels, tubes, trays, cut tape and loose parts. We provide a Smart MSD cabinet (IMSD) for moisture sensitive device storage and a Smart stencil rack storage solution (SRS series). We offer our InoAuto software for managing smart carts and inventory. For more information and a demonstration of Inovaxe product offerings, visit [www.inovaxe.com](http://www.inovaxe.com).
