KIC Honors Scott Gammer of JM Gammer Co. LLC as Representative of the Year for 2023

San Diego — June 2024 — KIC, a renowned pioneer in thermal process and temperature measurement solutions for electronics manufacturing, is proud to announce that Scott Gammer of JM Gammer Co. LLC has been named KIC's Representative of the Year for 2023. This prestigious award was presented to Scott by Miles Moreau, General Manager of KIC, in recognition of his outstanding sales achievements and exceptional dedication to the company.

Moreau expressed his appreciation, stating, "Scott's ability to consistently exceed sales targets has been instrumental in driving our growth and success in 2023. His hard work, professionalism, and deep understanding of our products have made him an invaluable asset to KIC. We are thrilled to recognize his achievements with this well-deserved award."

Scott Gammer, upon receiving the award, shared his gratitude and excitement. "It is an honor to be named Representative of the Year by KIC. I appreciate the strong partnership we have built over the years and the collaborative efforts of the entire JM Gammer Co. LLC team. I am grateful for the support from KIC and look forward to continuing our successful collaboration in the years to come."

Miles Moreau and Scott Gammer

JM Gammer Co. LLC, under Scott Gammer's leadership, has consistently demonstrated strong performance in representing KIC's innovative thermal process management solutions. The representative firm has been supporting the Southeastern US EMS industry for more than 25 years. They provide a full range of full-line turnkey solutions, including mounters, soldering, printing, reflow, and inspection gear such as X-ray, SPI, and AOI.
