“Participating in various SMTA programs and events is something that KYZEN looks forward to each year and takes pride in,” said Tom Forsythe, KYZEN Executive Vice President. “We enjoy connecting with old friends and meeting new ones. This past year KYZEN has missed its normal routine of attending as many shows as possible. However, with a continued priority of remaining safe, the company is looking forward to getting back to what they love and continuing their work with the SMTA.”
