FOR IMMEDIATE RELEASE

Libra Industries Continues Growth with New Director of Inventory Control

MENTOR, OH — May 2021 — Libra Industries, a privately-held systems integration and electronics manufacturing services (EMS) provider, is pleased to announce that JoLynn Zrnich (also known as JZ) has joined the team as Director of Inventory Control, reporting to Jeff Swenson, SVP Operations.

Zrnich has 25 years of experience in various facets of Inventory Management and Supply Chain. She has worked for companies such as Jabil, General Dynamics, Hewlett Packard and Magna International, giving her a wide array of experience in the medical, military and automotive arenas. Zrnich has helped with multiple plant restructures and has played an integral part in the implementation of several ERP systems throughout the years.

Zrnich is the proud mother of three children. Her daughters, Erin and Taylor, have given her five beautiful grandchildren, with a sixth on the way. Her son Dylan currently is serving our country in the United States Marine Corps. In her spare time, Zrnich enjoys traveling, spending time with her grandkids, and being her significant other's #1 spectator at his weekly softball tournaments.

Libra Industries continues to invest to provide customized manufacturing solutions to help make its customers more competitive and improve their profitability. For more information about Libra Industries, visit www.libraind.com.

###

About Libra Industries

Libra Industries is a leading provider of Systems Integration & Electronic Manufacturing Services (EMS), serving OEMs with complex or technologically sophisticated manufacturing requirements in a broad range of industries including Medical, Mil/Aerospace, Industrial, Semiconductor, Robotics and Communications. Six world-class manufacturing facilities allow Libra Industries to provide customers with manufacturing flexibility including complete system build, module and subassembly production, as well as simple to complex PC board assembly. With an ongoing commitment to investment in people, quality systems, and the latest manufacturing equipment and processes, Libra Industries is committed to managing their clients' products from initial design and prototype to full production; assisting their clients in their efforts to improve time to market, reduce total systems cost, and increase quality.
