## **Murray Percival Co. Named Distributor of the Year by GLOBAL Technology Awards**

**AUBURN HILLS, MI – November 2021** – The Murray Percival Company, the leading supplier to the Midwest's electronics industry, is pleased to announce that it received a 2021 GLOBAL Technology Award in the category of Distributors – Americas. The award was announced during a ceremony that took place Tuesday, Nov. 16, 2021 during productronica in Munich, Germany.

“We are honored to receive this award and very fortunate that we are able to support so many great customers within the EMS industry that truly make a positive impact in this world,” says MARCOM Manager Mark Percival Jr. “We have an amazing team here and we pride ourselves in creating value for our customers every single day, so it’s humbling to see that those efforts have been rewarded.”

The Murray Percival Company was founded on Jan. 4, 1960, and subsequently incorporated in the state of Michigan as the Murray A. Percival Company. 60 years ago, Murray Sr. was a pioneer servicing an

emerging industry, one that has become a key component in the worldwide market of today's manufactured goods. The Murray Percival Company is now the leading supplier to the Midwest's electronics industry and offers thousands of consumable products as well as in-line capital equipment for the repair and assembly of PCBs.
