The event will provide a truly interactive online experience for EMS professionals to grow their network, learn industry best practices and new ideas from a variety of expert speakers and

panelists, and explore the future of EMS. The one-day conference will kick off at 8:30 a.m. CDT and conclude with a virtual happy hour that starts at 4 p.m. CDT.

“As a company, we’ve operated virtually from the beginning, so we knew we were ready to take on the challenge of creating a uniquely engaging virtual conference just for EMS industry professionals,” said Chintan Sutaria, founder and president of CalcuQuote. “We have an exciting line-up of presenters focused on educational content on the main stage and a virtual exhibition area for connecting with CalcuQuote partners.”

Highlights include a keynote presentation about bringing a product to market by the founder of Robokind (<https://www.robokind.com/>), a panel discussion on security protocol for CMMC and ITAR compliance, a presentation on the future of EMS and the digitalization of the supply chain, and more.

Registration is free and can be found at: <https://hopin.to/events/accelerateems>.
