

## ROCKA to Showcase Expanded Services and Top Distribution Brands at Three SMTA Expos in May

**AUSTIN, TX — April 2024** — ROCKA Solutions is gearing up to exhibit at three SMTA Expos in May. With a strategic focus on growth and expansion, ROCKA Solutions aims to strengthen its presence in the USA and Canadian markets while showcasing top distribution brands in the industry.

The schedule for ROCKA Solutions' participation in the SMTA Expos is as follows:

### **SMTA Wisconsin Expo & Tech Forum:**

Date: Tuesday, May 7, 2024

Venue: Four Points by Sheraton | Milwaukee Airport

### **SMTA Ciudad Juarez Expo & Tech Forum:**

Date: Thursday, May 9, 2024

Venue: Injelectronic Convention Center

### **SMTA Rocky Mountain Expo & Tech Forum:**

Date: Thursday, May 16, 2024

Venue: Gaylord Rockies Resort & Convention Center

At these expos, attendees can expect to learn more about ROCKA's comprehensive range of services, including SMT production supplies and distribution partnerships with leading brands in the industry.

Among the key highlights at ROCKA's booth will be ROCKA Manufactured SMT production supplies, renowned for their quality, reliability and performance. Visitors will have the opportunity to explore ROCKA's extensive product portfolio and discover innovative solutions tailored to meet the evolving needs of electronics manufacturers.

In addition to showcasing its in-house manufactured products, ROCKA Solutions will also feature a selection of top distribution brands at its booth. Attendees can expect to see products from industry-leading brands such as Zestron, Actnano, Weller, Indium, BT Mix and more.

Catch ROCKA's team at any of these SMTA Expos in May to learn more about how ROCKA Solutions can enhance your manufacturing operations and supply chain efficiency.
