

ROCKA Solutions to Exhibit Premier Products at SMTA Dallas & Houston Expo & Tech Forums

DALLAS, TX — February 2024 — ROCKA Solutions is excited to announce its participation in the upcoming SMTA Dallas and SMTA Houston Expo & Tech Forums. The SMTA Dallas event will take place on Tuesday, March 19, 2024 at the Plano Event Center, followed by the Houston Expo on Tuesday, March 30, 2024 at the Stafford Centre.

As a trusted name in the industry, ROCKA Solutions will be exhibiting its most popular US products at both events. Attendees can expect to explore a wide range of premier offerings, including Stencil Rolls, Router Bits and the ROCKA Pre-Saturated Wipes.

"We invite attendees to visit our booth at the SMTA Dallas and Houston Expo & Tech Forums to experience firsthand the quality and effectiveness of our products," said Justin Worden, VP Sales & Marketing at ROCKA Solutions. "Our commitment to innovation drives us to deliver high-quality solutions that meet the evolving needs of our customers."

With a focus on quality and reliability, ROCKA Solutions' Stencil Rolls, Router Bits, and Pre-Saturated Wipes are designed to optimize efficiency and performance in electronic manufacturing processes. These products are meticulously crafted to ensure superior results and customer satisfaction.

"We invite attendees to visit our booth at the SMTA Dallas and Houston Expo & Tech Forums to experience firsthand the quality and effectiveness of our products," added [Spokesperson's Name]. "We look forward to engaging with industry professionals, sharing insights, and forging valuable connections."

Don't miss the opportunity to explore ROCKA Solutions' premier products at the SMTA Dallas and Houston Expo & Tech Forums.
