## **STI Recognizes Jeff Light's 10-Year Anniversary**

**MADISON, AL — February 2024 —** STI Electronics, Inc., a full-service organization providing training services, training materials, analytical/failure analysis, prototyping and electronic contract manufacturing, is pleased to announce and celebrate Jeff Light's remarkable 10 years of service with the company.

Since joining STI a decade ago, Light has been an invaluable asset, contributing significantly to the company's growth and success. His dedication, hard work and commitment to excellence have been instrumental in shaping our organization and driving us towards our goals.

"Jeff's tenure with STI has been characterized by his exceptional leadership, deep industry knowledge, and tireless work ethic," said David Raby, President/CEO of STI. "His contributions have played a pivotal role in our continued evolution and success. We are incredibly grateful for his dedication and look forward to many more years of collaboration and achievements together."

Throughout his tenure, Light has consistently demonstrated his expertise in the electronics industry, earning the respect and admiration of colleagues and clients alike. His ability to foster strong relationships, solve complex problems, and deliver results has been instrumental in cementing STI's reputation as a trusted industry leader.

As STI celebrates Light's remarkable milestone, the STI team extends its congratulations and appreciation for his outstanding contributions. His leadership, dedication, and passion for excellence serve as an inspiration.
