STI Recognizes Randy Baumgarden's 35-Year Anniversary

MADISON, AL – March 2023 – STI Electronics, Inc., a full-service organization providing training services, training materials, analytical/failure analysis, prototype development and contract PCB assembly, announces Randy Baumgarden's 35-year anniversary.

Baumgarden's anniversary was celebrated with a cake shared with all of his colleagues at STI. David Raby, President/CEO, presented him with a certificate in appreciation of his 35 years and a monetary bonus for his dedicated service.

Baumgarden is responsible for procurement for the manufacturing operations of the Engineering Services Division.

"Randy's loyalty and willingness to take on different tasks has been demonstrated many times over the last 35 years," said David Raby, President/CEO. "Randy is the only employee (without the Raby name) to have achieved this significant milestone and we are honored to recognize this fact."
