ITW EAE appoints Advanced Manufacturing Services Ltd. (AMS) as a Distributor for MPM Printer and Camalot Dispenser Products in the United Kingdom and Ireland

Lakeville, Minnesota, May 6, 2026 - ITW EAE is pleased to announce the appointment of AMS as the authorized distributor of MPM Printer and Camalot Dispenser products for the United Kingdom and Ireland territory.

“We are delighted with the addition of AMS as our partner for our printer and dispenser products in UK and Ireland,” said Frank van Erp, EMEA Sales Director for ITW EAE. “AMS has built a strong reputation for service excellence and customer focus within the electronics manufacturing market. Their one-stop-shop approach and commitment to long-term partnerships make them a natural fit for our channel strategy, and we look forward to working closely together to support customers with reliable, high-quality solutions.”

“We are pleased to strengthen our offering through our collaboration with ITW EAE!” added Richard Jones, CEO for AMS. “. This partnership aligns perfectly with AMS’s mission to provide comprehensive manufacturing solutions backed by dependable service. Together, we can help our customers optimize their processes and achieve consistent, high-quality production.”

Advanced Manufacturing Services Ltd (AMS), based in the United Kingdom, was established in 2001 to support the professional electronics manufacturing market. The company has built a strong reputation for high-quality service and a customer-focused approach. Offering a comprehensive one-stop solution for manufacturing needs, AMS is committed to building long-term relationships that help customers achieve reliable, efficient production.
