## CE3S and Desco Industries Inc. Announce Free ANSI/ESD S20.20-2021 Training Opportunity

**HARRISBURG, PA — March 2025 —** Cumberland Electronics Strategic Supply Solutions (CE3S), your strategic sourcing, professional solutions and distribution partner, in partnership with Desco Industries Inc., is pleased to announce an upcoming FREE training opportunity on ANSI/ESD S20.20-2021, the globally recognized standard for Electrostatic Discharge (ESD) control programs. This comprehensive course is designed for engineering, quality management, and leadership professionals looking to enhance their expertise in ESD principles and the effective implementation of ESD control programs. To register, visit <https://register.gotowebinar.com/register/7058868394476318300?source=Desco-Cumberland>.

Participants who successfully complete the full course and related exams will receive a certificate of completion from Desco Industries Inc., recognizing their expertise in ANSI/ESD S20.20-2021 compliance and implementation.

ESD poses a significant risk to electronic components, and implementing a robust control program is essential in preventing costly failures. Unlike standard operator-level training, this course is designed to equip professionals with leadership-level insights into static electricity management and the proper use of ESD control items.

Through this training, participants will gain an in-depth understanding of:

- ESD Basics: The fundamental principles of ESD and its impact on electronics.
- ANSI/ESD S20.20-2021 Standard: A detailed review of technical and administrative requirements.
- ESD Control Items: Proper qualification and verification of key ESD control measures, including grounding, worksurfaces, ionization, seating, shelving, mobile equipment, packaging, garments, and more.

This training will take place over four sessions, covering key aspects of ESD control and compliance:

- **Tuesday, April 29, 2025:** ESD Basics and Technical & Administrative Review of S20.20-2021
- **Tuesday, May 6, 2025:** Grounding, Personnel Grounding, Wrist Straps, Continuous Monitoring, Flooring
- **Tuesday, May 13, 2025:** Worksurfaces, Mobile Equipment, Shelving, Seating

- **Tuesday, May 20, 2025:** Packaging, Ionization, Garments, Gloves, Finger Cots

Why Attend?

- ✓ Advance Your Expertise – Gain a leadership-level understanding of ESD control strategies.
- ✓ Strengthen Your ESD Program – Ensure your organization meets and maintains compliance with ANSI/ESD S20.20-2021.
- ✓ Earn a Certification – Receive a certificate from Desco Industries Inc. upon completion.
- ✓ Completely Free – A valuable professional development opportunity at no cost.
