Conecsus Metals Mexico to Exhibit Waste Recycling Solutions at SMTA Monterrey Expo & Tech Forum April 23, 2026

Monterrey, Mexico -- Conecsus Metals Mexico, an innovative environmental technology and recycling company, will join more than 50 other exhibitor companies at the SMTA Monterrey Expo and Tech Forum on April 23, 2026. The show offers free technical sessions and the chance to network with leading suppliers in the electronics manufacturing industry in the region.

The show will be held from 9:00 AM-7:00PM (Mexico Central) at the Cintermex Convention Center, Av. Fundidora No. 501 - Col. Obrera, Monterrey, Nuevo León C.P. 64010, Mexico.

Conecsus' Yessica Romero, Regional Sales Manager, and Carolina Renteria, Customer Services Manager will illustrate how the company processes metals wastes containing primarily Tin, Lead, Silver, Antimony, and other metals and converts them into usable metal products, paying its customers back for their metals waste. Parent company Conecsus LLC, based in Terrell, Texas, USA is an ISO 14001 EMS certified recycling company and refiner.
