STI Electronics Celebrates K.P. Price's 15-Year Work Anniversary

MADISON, AL -NOVEMBER 2025 – STI Electronics, Inc., a full-service organization providing training services, training materials, analytical/failure analysis, prototyping, and contract PCB assembly, is proud to recognize **K.P. Price**, SMT Applications Technician, for reaching an impressive **15 years** of service with the company.

Since joining STI in 2010, K.P. has played a key role in the Surface Mount Technology (SMT) department. His technical expertise, dedication, and commitment to quality have contributed greatly to STI's success and continued reputation as an industry leader.

"We are grateful for K.P.'s 15 years of commitment to STI," said **David Raby, President/CEO of STI Electronics, Inc.** "His skill, consistency, and positive attitude make a real difference in our operations every day. We're proud to celebrate this milestone with him."

STI Electronics congratulates K.P. Price on this outstanding achievement and looks forward to many more years of success together.
