**Carlsbad, CA, USA – 13 April 2026**– [Nordson Electronics Solutions](https://nordson.com), a global leader in reliable electronics manufacturing technologies, was honored to accept the 2025 EM Asia Best Supplier of the Year award at the 21st EM Asia Innovation Awards ceremony held March 27 during Productronica Shanghai at the Shanghai New International Expo Center. The event was organized by the Messe Muenchen Shanghai.

Jacky He, commercial lead, Nordson Electronics Solutions, accepted the award on behalf of the company. He stated, “This recognition reinforces our commitment to deliver meaningful value to our customers and to push the boundaries of electronics manufacturing innovation. We thank our Nordson Electronics Solutions team who are dedicated to achieving the best results for our customers.”

Nordson Electronics Solutions supplies automated fluid dispensers, conformal coating systems, selective soldering machines, and plasma surface treatment equipment to a wide range of electronics and semiconductor manufacturers in Asia.

Established in 2006, the EM Asia Innovation Awards program strives to recognize and celebrate excellence in the electronics industry, inspiring companies to achieve the highest standards and push the industry forward. All awards are based on strict criteria, including innovativeness, cost effectiveness, speed / throughput improvement, quality contribution, ease of use maintainability and repairability and technological advancement.
