STI Electronics Celebrates Jane Layne's 10-Year Work Anniversary

Madison, AL – April 2026 — STI Electronics, Inc., a full-service organization providing training services, training materials, analytical/failure analysis, prototyping, and contract electronic manufacturing, proudly recognized a significant milestone today, celebrating Jane Layne's 10-year work anniversary with the company.

Over the past decade, Jane has demonstrated outstanding dedication, professionalism, and a strong commitment to excellence in her role. Her contributions have supported STI Electronics' mission of delivering high-quality services for the electronics industry.

"Jane's consistency, positive attitude, and dedication over the past 10 years have made a meaningful impact on her team and on the organization as a whole," said David Raby, President/CEO of STI Electronics, Inc. "We are grateful for her continued contributions and proud to celebrate this milestone with her."

In appreciation of her commitment and impact over the past 10 years, STI Electronics presented Jane with a certificate, monetary bonus and an additional PTO award.

STI Electronics places a strong emphasis on recognizing employee achievements and milestones, reflecting the company's commitment to valuing and investing in its people.

Please join STI Electronics in congratulating **Jane Layne** on this impressive achievement and thanking her for **10 years of service and excellence**.
